

## Professional Career

---

### General Surgery in Germany

April 1985 – 30. June 1991

**Mülheim a.d. Ruhr, Duisburg**

### Plastic Surgery / Hand Surgery in Germany

July 1991– Dec. 2003

Hand Surgery, **Bonn**; Burns, Plastic and Reconstructive Surgery at the University of **Aachen**; Hand and Plastic Reconstructive Surgery, **Hanover**

### General Surgery / Plastic Surgery / Hand Surgery in England

Jan 2004 – 30 Sept 2023

SMTC **Portsmouth, Cobham** and **Epsom** Day Surgery Units, NELTC **Ilford** (London), **Salisbury** District Hospital, University Hospital of North **Durham**, **Bradford** Royal Infirmary, Plastic Surgery and Burns Unit, Selly Oak Hospital, **Birmingham**

## Translations of medical textbooks into English

---

### *MR Imaging of the Spine and Spinal Cord*

Prof. Detlev Uhlenbrock MD (Author)

Grahame Larkin, MD (Translator)

Thieme International, 2003

### *Cosmetic Surgery Today*

Dimitrije Panfilov, MD (Author)

Clinic 'Nofretete', Private Clinic for Aesthetic Plastic Surgery, Bonn, Germany

Grahame Larkin, MD (Translator)

Thieme International, 2005

### *Surgery of the Auricle*

Prof. Hilko Weerda, MD (Author)

Grahame Larkin, MD (Translator)

Thieme International, 2007

### *Atlas of Surgical Operations*

Prof. Volker Schumpelick, MD (Author)

Grahame Larkin, MD (Translator)

Thieme International, 2009

### *Atlas of ENT Operations*

Prof. Jürgen Theissing MD, Prof. Gerhard Rettinger MD, Prof. Jochen Werner MD, (Authors)

Grahame Larkin, MD (Translator)

Thieme International, 2010

### *"Continuing Education Program on Skin Cancer Screening"* (English Version)

Deutscher Ärzte-Verlag, 2012

*Imaging of Bones and Joints*

Bohndorf/Anderson/Davies/Imhof (Authors)

Grahame Larkin, MD (Translator)

Thieme International, 2016

**Since 2021:** Regular translations of articles for the English online edition of the *Deutsches Ärzteblatt*

Translation of 21 000 English procedure terms into German between **April 2024 and May 2025** for the **SNOMED** project led by the Federal Institute for Drugs and Medical Devices (BfArM)

---

### **Contributions to Medical Journals**

Eren S, Hess J, Larkin GC.

Total scalp replantation based on one artery and one vein.

**Microsurgery** 1993; 14: 266-271

Eren S, Rübber A, Krein R, Larkin G, Hettich R

Assessment of microcirculation of an axial skin flap using indocyanine green fluorescence angiography.

**Plast Reconstr Surg.** 1995; 96(7): 1636-1649

Larkin G, Brüser P, Safi A.

Die Möglichkeiten und Grenzen der intramedullären *Kirschner*-Drahtosteosynthese zur Behandlung der Metakarpalfrakturen

(The Possibilities and Limitations of Intramedullary Kirschner Wire Osteosynthesis in the Treatment of Metacarpal Fractures)

**Handchirurgie, Mikrochirurgie, Plastische Chirurgie** 1997; 29: 192-196

Brüser P, Larkin G.

Contralateral Transplantation of a Finger for Restoration of Thumb Function.

**Journal of Hand Surgery** 1997; 22B (3): 336-340

Brüser P, Poss T, Larkin G.

Results of Proximal Interphalangeal Joint Release for Flexion Contractures: Midlateral Versus Palmar Incision.

**Journal of Hand Surgery** 1999; 24A: 288-294

Brüser P, Richter M, Larkin G, Lefering R.

The Operative Treatment of Carpal Tunnel Syndrome: A Comparison of Long versus Short Incisions and its Relevance to Endoscopic Release.

**European Journal of Plastic Surgery** 1999; 22: 80-84

Brüser P, Krein R, Larkin G.

Fixation of metacarpal fractures using absorbable hemi-cerclage sutures.

**Journal of Hand Surgery** 1999; 24B (6): 683-687

Tang C, Larkin G, Kumiponjera D, Rao G.

Vanity burns: An unusual case of chemical burn caused by nail glue

**Burns** 2006 Sept; 32 (6): 776-777

“The Possibilities and Limitations of Intramedullary Kirschner Wire Osteosynthesis in the Treatment of Metacarpal Fractures”

26th Annual Conference of the German Society of Plastic Surgery

20 – 23 September 1995 in Leipzig

“Arthrolysis”

6. FESSH Congress, Beethovenhalle, Bonn

26 – 29 May 1999

### Presentations at Regional Events

#### ***Die Behandlung des Karpaltunnelsyndroms: Heute ein Problem?***

(The treatment of carpal tunnel syndrome: a problem today?)

Symposium: Concepts and strategies in hand and plastic surgery

Malteser Hospital

26 November 1997 in Bonn

#### **Regional Presentations for the Northeast SpR Plastic Surgery Training Programme**

***Dupuytren's Disease*** (16.7.2004)

Larkin G: “Anatomy and Pathophysiology”

***Rhinoplasty*** (17.9.2004)

Larkin G: Video-Presentation

***Lower Limb Trauma*** (15.10.2004)

Larkin G.: “Classification of Lower Limb Trauma”

***Facial Rejuvenation*** (17.12.2004)

Larkin G.: “Facial Anatomy”

***Hypospadias*** (18.3.2005)

Larkin G.: “Aetiology, Embryology, Anatomy, Assessment”

***Eyelid Reconstruction*** (15.4.2005)

Larkin G.: “Upper Eyelid Reconstruction”

### Book articles

Brüser P, Larkin G.

The Dilemma of Treating Carpal Tunnel Syndrome: Open versus Endoscopic Release.

In: **Hellwig D, Bauer L, editors. *Minimally Invasive Techniques for Neurosurgery***, Springer, 1998: 167-171

Brüser P, Larkin G.

Arthrolysis

In: **Brüser P, Gilbert A, editors. *Finger Bone and Joint Injuries***, Dunitz Ltd, 1999: 281-285

Brüser P, Larkin G.

Recent extra-articular fractures.

In: **Tubiana R, Gilbert A, editors. *Bone and Skin Disorders***

From the series: “Surgery of Disorders of the Hand and Upper Extremity”, Dunitz Ltd, 2002: 131-142
