- Advanced Linguistics Abilities: Adept at navigating linguistic intricacies with finesse.
- Fact Checking: Ensuring precision and reliability in every translation.
- Creativity: Infusing creativity to enhance engagement and impact.
- Cultural Norms & Values: Deep understanding to convey contextually appropriate messages.

LANGUAGES:

- German
- Dutch
- English

WORK EXPERIENCE

Remote Translator | Dutch, and English

August 2023 – Present

- Stay updated on advancements in pharmaceutical terminology, regulations, and industry trends to provide the most accurate and relevant translations.
- Maintain and update a comprehensive database of pharmaceutical terminology in Dutch, and English language ensuring consistency and accuracy across all translations
- Work closely with medical experts, researchers, regulatory specialists, and marketing teams to ensure that all translated content is aligned with Novartis' goals and messaging.
- Provide accurate translations for drug packaging, labeling, and instructions, adhering to strict regulatory standards and guidelines.
- Translate medical and scientific articles, research papers, and conference materials to facilitate knowledge dissemination among healthcare professionals and researchers.
- Translate informed consent forms, patient questionnaires, and medical documents related to clinical trials, maintaining precision to ensure participants' comprehension and ethical compliance.

Remote Translator | Royal Ahold Delhaize

February 2022 - July 2023

- Translate legal contracts, agreements, and compliance documents to ensure accurate understanding across all languages.
- Verify that translated materials adhere to industry-specific regulations and legal requirements.
- Translate online grocery platforms, customer service communications, and user interfaces to provide a seamless experience for German, Dutch, and English language-speaking customers.
- Create translated training materials for employees, covering company policies, safety procedures, and professional development.
- Collaborate with the marketing team to adapt advertising campaigns, promotions, and branding materials for different markets, ensuring cultural relevance and appeal.
- Aid in the translation of market research reports surveys, and customer feedback to provide insights for strategic decision-making in various markets.

Media Translator | Bertelsmann

March 2020 - December 2023

- **Accurate Translation:** Providing precise and culturally relevant translations from German, Dutch, and English language and vice versa, ensuring the content's original meaning and tone are preserved Utilizing in-depth knowledge of grammar, vocabulary, and syntax in both source and target languages to deliver high-quality translations.
- **Proofreading and Editing:** Reviewing and revising translations for grammatical accuracy, consistency, and coherence, guaranteeing a polished final product.
- **Research:** Conduct research to comprehend specialized terminology and industry jargon, enabling accurate translations of technical, legal, or specific subjects.
- **Project Management:** Organizing and managing translation projects, adhering to deadlines, and effectively collaborating with project teams to meet client expectations.
- **Effective Communication:** Interacting with clients and colleagues to clarify translation requirements, address queries, and ensure a clear understanding of project objectives.
