Profile

A strong leader who works well under pressure. Highly organized, and skilled in written and verbal communication.

Efficient and accurate simultaneous and consecutive interpreter with 3+ years of experience in the education and medical industries. Skilled in Spanish, Portuguese, English, and medical terminology. Facilitated 2,000+ appointments between clients and Non-English speakers in Spanish, Portuguese, and English in two years with zero language barrier issues.

Born in Spain. Lived several years in Mexico, Brazil & Canada.

Education

Business Administration, BBA, Thompson Rivers University, Kamloops, BC

October 2017 – February 2021

Employment History

Simultaneous Interpreter

February 2021 – Present

Serve as a simultaneous interpreter in official NY Department of Education Meetings & conferences.

- Have interpreted for NY senators, council presidents, superintendents, principals, and more high-level education staff.
- Maintained zero language-barrier rate, thanks to native-speaker-level grasp of all three languages and deep cultural competency.
- Commended by DOE councils for efficiency and professionalism.

Experience working with different clients in the education and medical industries throughout the US territory, including NY, CA, CT, UT, TN, and more.

Team Lead Coordinator for New York, Linguistica International, New York

November 2021 – Present

- Manage a team of 700+ freelance active interpreters living in NY.
- Work with 350 languages + Dialects
- Handle much of the logistics between clients and the interpreters.

- Handle daily verbal and written communication with clients and freelancers.
- Lead and conduct a monthly in-depth analysis of business performance versus business goals.
- Create appointments and assign the best-suited interpreters for each different specific situation.

Team Manager & Human Resources Recruiter, Linguistica International, Salt Lake City

February 2021 — November 2021

- Assisted with the recruiting and interviewing of new and potential employees.
- Organized and implemented job roles and functions among employees.
- Effectively led company functions and departments as designated.
- Effectively controlled budgets and optimize expenses.

Interpreter, Linguistica International, Remote

June 2020 — Present

- I bridge the communication gap between two or more parties who do not speak the same language.
- Experience interpreting between English, Spanish, and Portuguese.
- Led three-way telephone calls and translated pertinent information to each party.
- Utilized subject matter expertise, legal and medical knowledge to offer the most detailed and efficient translations possible.
