Education

2012-2016

University College
Utrecht
Bachelor of Arts
(BA), Linguistics

I'm a professional translator with a BA degree in Linguistics from University College Utrecht. My strong academic background in linguistics enables me to deliver exceptional translation services. I focus on language study, exploring linguistic theories and understanding language structures, semantics, and pragmatics. My goal is to provide accurate and high-quality translations that effectively convey the intended meaning and tone of the source text. I am dedicated to maintaining the highest professional standards in my work.

2016-2021

University of Exeter
Master of Arts (MA),
Language studies

I'm an experienced translator with an MA in Language Studies from the esteemed University of Exeter. My extensive training and strong academic background enable me to provide precise and top-notch translations. At the university, I delved into advanced linguistic theories, translation techniques, and cultural nuances, refining my language skills and gaining valuable insights into diverse linguistic and cultural contexts.

Experience

Scale AI 2023

Translator

As a translator at Scale AI, I am committed to upholding the company's reputation for excellence, professionalism, and accuracy. I take pride in my work and continuously stay updated with industry trends and linguistic developments to ensure that I deliver the most effective and culturally appropriate translations possible.
