

JULIUS KAMURO MWANGI

Industrial Chemist

I am a confident, intelligent and enthusiastic industrial chemist with an analytical mind and a thirst for knowledge. My career objective is to pursue a job that allows me to develop and utilize my qualifications, skills, experience and talents to full capacity. I am passionate and driven by results with a general focus on organizational growth. I delight in providing sustainable technical services that facilitate quality management, continuously improving efficiency and most of all, consumer focus. I actively seek challenging assignments and I'm usually ready to face these with confidence, to work under a dynamic environment and to produce high quality results.
