 New Delhi

## SKILLS

HTML

CSS

Javascript

Python

SQL - Basic

JAVA - BASIC

---

## EDUCATION

→ Btech Computer Science and Engineering | Maharshi Dayanand University |2019-2023

→ X(CBSE) | DAV public School , Dwarka  
8.2cgpa |2017

→ XII(CBSE) | Midfields sr. sec. School 58.6% | 2019

## PROFILE

A Disciplined, tenacious, and creative Computer Science Student with Strong coding techniques.

## PROJECTS

### NETFLIX DATA ANALYSIS

In this project I have analyzed the Netflix data (total users , ratings of movies and Tv shows , Top rated movies , Tv shows , Directors ,cast , what users like to watch , how much time they spend on which movies, WebSeries, serials etc by using various python libraries like Numpy , Pandas, Matplotlib , Seaborn , applied statistical analysis and technologies on data to find trends and solve problems.

### HAND GESTURE-CONTROLLED PRESENTATION

Gesture provides a way for computers to understand human body language, Deals with the goal of interpreting hand gestures , Enables humans to interface with the machine and interact naturally without any mechanical devices - CVZONE , MEDIAPIPE EXTENSIONS.

## CERTIFICATE

FULL STACK DEVELOPMENT - UDEMY

Java - Apna College

## RESEARCH REPORT

Cyber attacks
