WORK EXPERIENCE

TransPerfect I Translation project manager

2023 - 2024

I was in charge of preparing the files for translation and supervising the quality of the translations before delivery.

STAR Translation Services Dublin I Translation project manager

2024- Nowadays

I prepare the files, send them to the appropriate team and perform QT (Quality) before delivering to the customer.

I am also in contact with linguists to assign them projects and with the customers for any inquiry or requirement they have.

I am used to delivering urgent projects with a very tight deadline with great results, as well as solving problems really fast.
