

MUHAMMAD ARIF

PROFILE

As a *Burmese* Translator, Subtitler, Editor, and Proofreader, I've honed my skills in language and media to deliver high-quality content. My journey involves translating, subtitling, and refining content in the Burmese language, ensuring accuracy, fluency, and cultural sensitivity. My experience has equipped me to work with a variety of media, from video content to written materials, providing linguistic clarity. Through meticulous editing and proofreading, I've contributed to polished, error-free final products, allowing clients to effectively reach *Burmese* speaking audiences and leaving a lasting impact.

WORK EXPERIENCE

2022

English- Burmese Translator, Freelancer : SmartCat

My *Burmese Translation* experience with SmartCat has been highly efficient and streamlined. Smart Cat's platform has enabled me to seamlessly manage translation projects, collaborate with clients and fellow translators, and utilize valuable translation memory and terminology tools. This has not only enhanced my productivity but also ensured consistency and quality in Burmese translations. SmartCat's user-friendly interface and support have significantly facilitated my work, making it a valuable asset in my translation journey

2023-

English - Burmese Translator, Subtitle: Proz.com

My experience with Burmese Translation and Subtitling through ProZ has been highly beneficial. ProZ provides a valuable platform for connecting with clients and fellow language professionals, facilitating project management and collaboration. It has enabled me to access a wide range of translation and subtitling opportunities, expand my network, and stay updated on industry trends. Overall, ProZ plays a pivotal role in my journey as a language specialist, connecting me with diverse projects and professional connections.

EDUCATION
