Experience

Subcontractor Works - Penang, Malaysia 2009 - 2017

Operate as a subcontractor, handling diverse projects primarily in telecommunications under TM, as well as housing construction. Expertise includes installing new fiber to the homes for internet connectivity.

Contractor Works - Penang, Malaysia 2018 - 2025

Focusing on Contract under TM, Access Network Development Department to provide and install access fiber cable through underground ducting and overhead work to provide internet connectivity to new residential houses and business building.

Freelance Worker - Penang, Malaysia Present

Experienced as a freelance worker across diverse roles, including physical contractor work, online affiliate marketing, and YouTube content creation. This background helped me discover my passion for subtitle translation.
