

MUHAMMAD MUZAMMAL

ABOUT ME

My name is Muhammad Muzammal, as a freelance **English to Polish** translator. My **availability is 24/7**, I am dedicated to meeting the needs of clients promptly and reliably. Translation work involves converting text from one language to another while maintaining meaning, tone, and context. Translators often use tools like CAT software to assist in their work

EDUCATION

Bachelor in IT From

Punjab University in 2018 - 22

EXPERIENCE

2019 - Present

With five years of experience as a freelance translator, I offer a wide range of services including translation, proofreading, editing, subtitling, and machine translation post-editing (MTPE). My commitment to delivering high-quality work ensures projects are completed efficiently and on time. With many positive reviews, I leverage my expertise to provide accurate and culturally nuanced content, tailored to the target audience, under my personal brand.

"Excellence in every word" is the standard I uphold in all my work.
