English to (Brazilian) Portuguese Translator | Specializations in Marketing Translation and Sports Translation | Proofreading | Editing | Transcription

São Paulo, São Paulo, Brazil

## Summary

I immersed myself in the Translation industry as a professional, with the knowledge of CAT tools and the understanding of the translation and localization industry as a whole, I started providing value in the field, Translating marketing campaigns for an in-store marketing robots company called Tokinomo, after this I acquired experience translating projects for companies like:

- Korn Ferry
- iManage Work
- Others

Translation agencies that I've been working with for reference:

- Orient Translation
- Attached Language Intelligence
- Others

I provide the translation service with specializations in marketing and sports and I'm skilled with the tools and techniques to maximize the value of work.
