ABOUT ME

Professional with more than 25 years of expertise in inventory management. competent in cooperation with vendors, procurement, and end-to-end logistics management. possessing proficiency with PowerPoint, Excel, and Word. outstanding English communication skills, both written and spoken.

As a means of support and income, offer private coaching to students in higher grades. I was an expert in accounts/stores and purchases but due to some medical respiratory problems could not continue with the regular jobs and made the transition to writing and is knowledgeable in economics, literature, content creation, poetry, and blog writing is someone who reads widely, writes frequently, solicits feedback from others, meticulously revises and edits his own work before submission, and has honed my own distinctive voice and style.

EXPERIENCE

Self-employed (Teaching) & Academic Writer and Blogger

Author of "Sustainable Solutions: Reducing Your Carbon Footprint"
