

Shaharba C Moosa

Data Annotator

✉ shaharbacm37@gmail.com 📞 9037015374 📍 Kochi, Kerala, India 🌐 Shaharba C Moosa

PROFILE

A versatile professional with experience in agriculture, data annotation, and translation. Skilled in SDL Trados, agricultural research, and AI-focused data annotation, with a proven track record of delivering high-quality results under tight deadlines.

PROFESSIONAL EXPERIENCE

Data Annotator 10/2024 – present

RWS

Analyzed and annotated textual data in Malayalam and English for natural language processing (NLP) projects.

Semantic Text Similarity (STS) Rater 11/2024 – present

RWS

Evaluated semantic similarity between Malayalam and English texts to enhance natural language processing (NLP) models.

Freelance Translator 10/2024 – present

Transoplanet

Delivered accurate translations using SDL Trados, ensuring consistency in legal, medical, and technical documents.

Freelance Translator 10/2020 – present

Enuncia Global Media Solutions

Translated documents between English and Malayalam, maintaining cultural and contextual accuracy across varied content.

Freelance translator 01/2025 – present

Krishna Translations

LOFT transcriber 02/2025 – Present

Sigma AI

Transcribed and aligned multilingual voice data on LOFT for speech recognition training.

EDUCATION

B.Sc. (Hons) Agriculture 07/2020 – 06/2025

Lovely Professional University

Phagwara, Punjab

SKILLS

Language Proficiency

Fluent in English and Malayalam

Translation Tools

Proficient in SDL Trados for accurate and consistent translations

Data Annotation

Expertise in text data annotation, semantic similarity evaluation, and AI dataset preparation.

Research & Analysis

Skilled in agricultural research, soil health analysis, and sustainable farming practices.

Project Management

Experienced in managing multiple projects with tight deadlines while ensuring high-quality results.

Technical Skills

Familiarity with natural language processing (NLP) concepts and AI training models.

Communication

Effective team collaboration and client communication

LANGUAGES

Malayalam

English

Hindi

PROJECTS

RAWE Project

Krishi Bhavan, Pallarimangalam

- Conducted field surveys and assisted in implementing sustainable farming practices to improve crop yield and soil fertility.
- Collaborated with agricultural officers to analyze soil health and apply biological techniques for enhanced crop growth.

Agro-Industrial Attachment

Varappetty Service Co-operative Bank - Agro Unit

- Contributed to the operations of the agro-industrial unit, specifically in coconut oil production, ensuring quality standards and process efficiency.
- Gained practical experience in managing agricultural industrial processes and explored the economic impact of value-added agricultural products.
