## Work experience

09/2020 - 09/2025 - IRAQ

**translator**

**Freelance work**

I am a professional translator with [X] years of experience providing high-quality translations between English and Arabic. I specialize in a variety of fields including marketing, social media content, legal documents, business communications, and general content.

My work emphasizes accuracy, cultural appropriateness, and readability, ensuring the target audience fully understands the intended message. I also provide related services such as proofreading, transcription, and file formatting (PDF to Word), offering clients a complete end-to-end translation experience.

Clients appreciate my attention to detail, timely delivery, and professionalism. I am committed to confidentiality and clear communication on every project, no matter the size or complexity.

## Education

02/2019 - 07/2024 - IRAQ

**Translation | Bachelor's**

**Freelance work**

- Certified courses in translation and localization
- Workshops in technical and marketing translation
