## PROFILE INFO

As a freelancer working from home, I can offer the following services:

- Online English and Maths tutoring (grades 3-8)
- Content writing
- Turkish to English subtitling

## EXPERIENCE

### 2020 - PRESENT

Pakistan

#### Professional & freelance online tutor

- Worked as an online English and Maths 1:1 tutor via Zoom for grades 3-5 with Get Smart, UK (Cambridge curriculum).
- Tutoring the students of grades 7 and 8 for Cambridge curriculum English and Maths via Google Meet with 1:1 sessions.
- Using interactive tools like Canva digital whiteboard, Kahoot, Khan Academy, TED-Ed, Nearpod, supplementary video clips/documentaries, virtual field trips with 360-degree panoramic images, etc. to diversify the virtual learning environment.

### 2019 - 2023

Pakistan

#### Freelance content writer

- Worked as a freelance content writer on Freelancer.com for niches like construction, home improvement, capital improvement, smart home automation, recreational sports, and snowmobiling.

### 2017 - 2019

Saudi Arabia & Pakistan

#### Freelance home tutor

- Provided home tuitions for English and Maths to the students of grades 3-8 (Pakistani, American, and Cambridge curricula).

### 2013 - 2014

Saudi Arabia

#### Professional school teacher

- Taught English, Maths, Science, Geography to 3 classes of 20 students each, for grade 3 in The City School International, Jeddah (Cambridge curriculum).
- Worked on curriculum development for the academic year 2014.
- Composed articles for the school's annual newsletter 2014.

### 2012

Saudi Arabia

#### Assistant teacher

- Worked as an assistant teacher for grade 1 at Al-Wadi International School, Jeddah.
