

Blagica Zaharieva

Freelancer - MEDICAL TRANSLATOR

ABOUT

Working as translator for the past 4 years, I make sure that the final outcome is an accurate translation that sounds natural and harmonious.

By possessing experience in working as part of a team I am able to deliver the best quality for the project with all its complexes.

I can offer you my high-quality translation services for the budget of your project limits.

EXPERIENCE

(2019-Present)

As regards to my experience, for the last 4 years in the translation industry, I have worked on everything, from general content to technical domains, official standards and all types of documents.

(*Medical reports, Medical Research projects, Medical charts, Scientific publications, Medical records, Clinical study reports, Clinical protocols, etc.*)

I had long and short cooperation with companies like *Vigortrans, TranslatePlus, Strategic Agenda, TranslatorsFamily, Arhetype, etc.*

From the CAT-tools I use *TRADOS Studio and MemoQ*
