### ABOUT ME

I am a translator specializing in American and British English. I am passionate about connecting cultures through precise word choices, ensuring the original essence and meaning are meticulously preserved in every translation. With three years of experience, I have successfully managed projects spanning various literary genres and technical texts in marketing, business, and tourism. I am currently seeking new opportunities to collaborate on impactful projects.

### EXPERIENCE

**"Where's is Clarita", by Rita Ramos Cordeiro.**  
**"Algorithmic Matter Theory", by Paulo F Fraga.**

**Several technical texts translated for direct clients.**

I maintain the confidentiality of translated information and meet established deadlines. I work with CAT tools and perform thorough revisions, ensuring quality and accuracy.

### EDUCATION

**American English (SENAC)**  
**2021**

Grammar structures, thematic vocabulary (such as health, leisure, gastronomy, tourism, and business), and development of the four skills: listening comprehension, reading, writing, and speaking.
