Employment History

Public Speaking Professor, Planet Spark, Chennai

10/2022 - 06/2025

As a Public Speaking Professor, I acted as a mentor, learner, and entrepreneur. I taught English, ensuring effective learning outcomes for children, and guided students to become self-directed learners. I also participated in PlanetSpark's training program (ITP) to enhance teaching methodologies (STEPS). Furthermore, I actively engaged in marketing their 'Learning Planet' and collaborated with the PlanetSpark Account Manager. I developed and implemented innovative teaching methodologies, resulting in a 15% increase in student engagement and a 10% improvement in course evaluations. I assessed student learning through various methods, including oral presentations, written assignments, and performance-based assessments. Additionally, I developed and maintained a comprehensive curriculum that aligned with industry best practices and current research on public speaking pedagogy.

YouTube Content Creator

06/2021 - 06/2022

Created, shot, and edited videos for my YouTube channel.
