Brief Description

Our business operations are led by Mr. Mohd. Misbah. He has extensive experience and rich knowledge in this industry sector. His guidance and support allows us to successfully cater to the specific demands of customers in Australia, Canada, Denmark, France, Italy, Lithuania, USA, UK, Sweden, Russia, Israel, Saudi Arabia, Sri Lanka and Mauritius.

We have set up a separate quality control department in our infrastructure which is manned by experienced quality controllers. The quality check process begins from the collection of raw material and continues till the product is finally dispatched.

We have with us latest production facilities that allow us to maintain International quality standards in our product range. Our manufacturing unit is spread across a large area in Delhi. In our manufacturing unit, we have installed the following machines and equipment to meet the bulk requirement of production in an effective and timely manner.
