PURPLE PALETTE

Who we are – Purple Palette

Purple Palette is a corporate communication solution specialist that seeks to provide services which communicate your brand effectually. With services spanning from Corporate Merchandising, Designing & Printing, Corporate Gifting, Content Writing, Website Designing & Corporate Photography. We provide a one stop shop for communicating your brand identity in the eyes of your consumers and peers alike.

A company which is young and made of young and dynamic people, Purple Palette has a dedicated team that works on providing a creative solution that highlights your brand. Our network of vendors provides branded corporate merchandise for every occasion. We strictly adhere to the timelines and understand how important your brand identity is. Within few years we have designed for the likes of **DLF, CNBC, Mobikwik , Zomato, GIZ, Vodafone, Shell Foundation** and many more companies. We have recently introduced Corporate Photography, Product Photography, and Designing of Mobile Apps in our palette.

Purple Palette believes in delivering solutions for your organization in a conducive and organized environment. We strive to be an organization that caters to the majority of your brand communication solutions effectively and accurately under one roof.
