**SMART**

ELECTRICAL ACCESSORIES

AN ISO 9001:2015 CERTIFIED COMPANY

*Future*

OF NEXT GENERATION

WITH  MARK

PRODUCT & PRICING 01/09/2021

## WHO WE ARE..?

Smart has been associated with quality and customer satisfaction since its very inception. For over 3 decades smart lived up to the reputation of making reliable products that are designed in such a manner that it offers best quality to customer add the best value for the money smart offers a wide range of products built for day today modern living in homes & offices. Customer first has been at the core of the company policy. It is due to this policy smart has become a household name .

our customers Are not only the consumers but the brand ambassadors of our company ,their continued trust in us inspires and motivates us to becoming one of the best brands in our country.

“TRUST” a simple word, that we take very seriously Switch to SMART Electrical Accessories. Trust towards providing the best product with maximum value for money to the people.

Some of The salient features off smart products are:

- Superior finish and sleek design of the front plate avoids dust accumulation.
- High grade polycarbonate material with highly gloss surface finish.
- Products are lab tested with stringent quality control measures.
- Highly electrolytic copper is used in the making of Switches, Sockets, Wires and Mcbs.
- Attractive packaging And aesthetics.

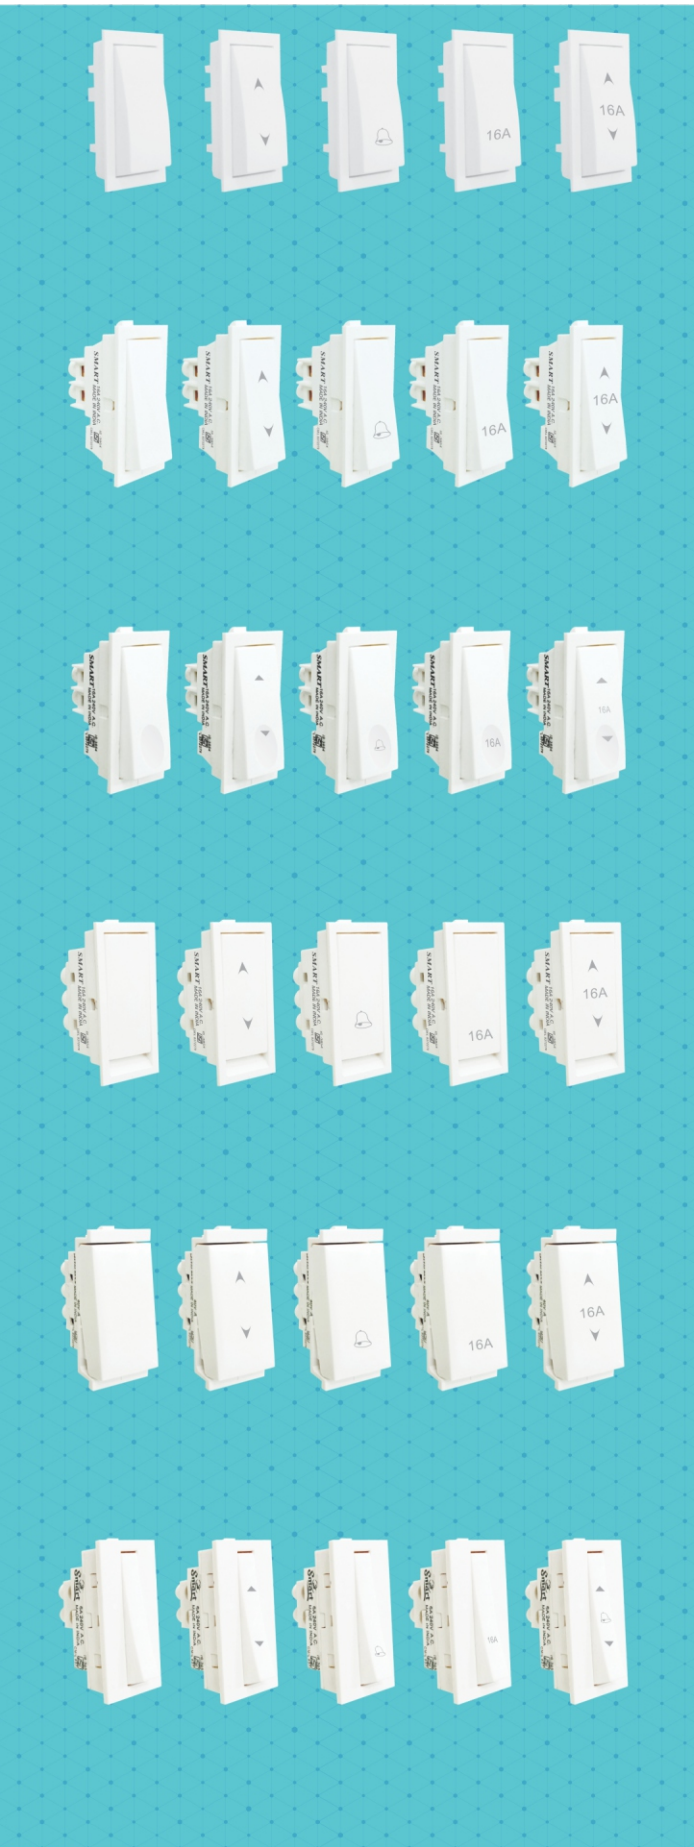

FLAT SLIM PLATE

**THE MOST BEAUTIFUL  
SWITCHES EVER!**

# A PERFECT BLEND OF

Design & Technology

# SMART

ELECTRICAL ACCESSORIES

- IP 20 PROTECTION
- ENERGY EFFICIENT
- TRIP FREE MECHANISM

*Smart is happening...*

IS/IEC:60898-1:2015

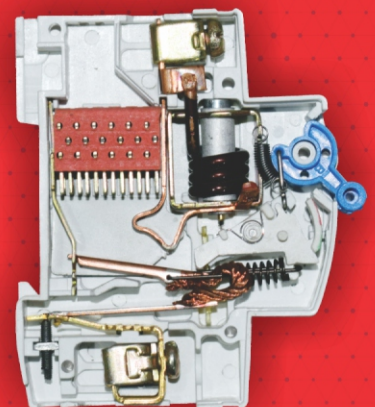

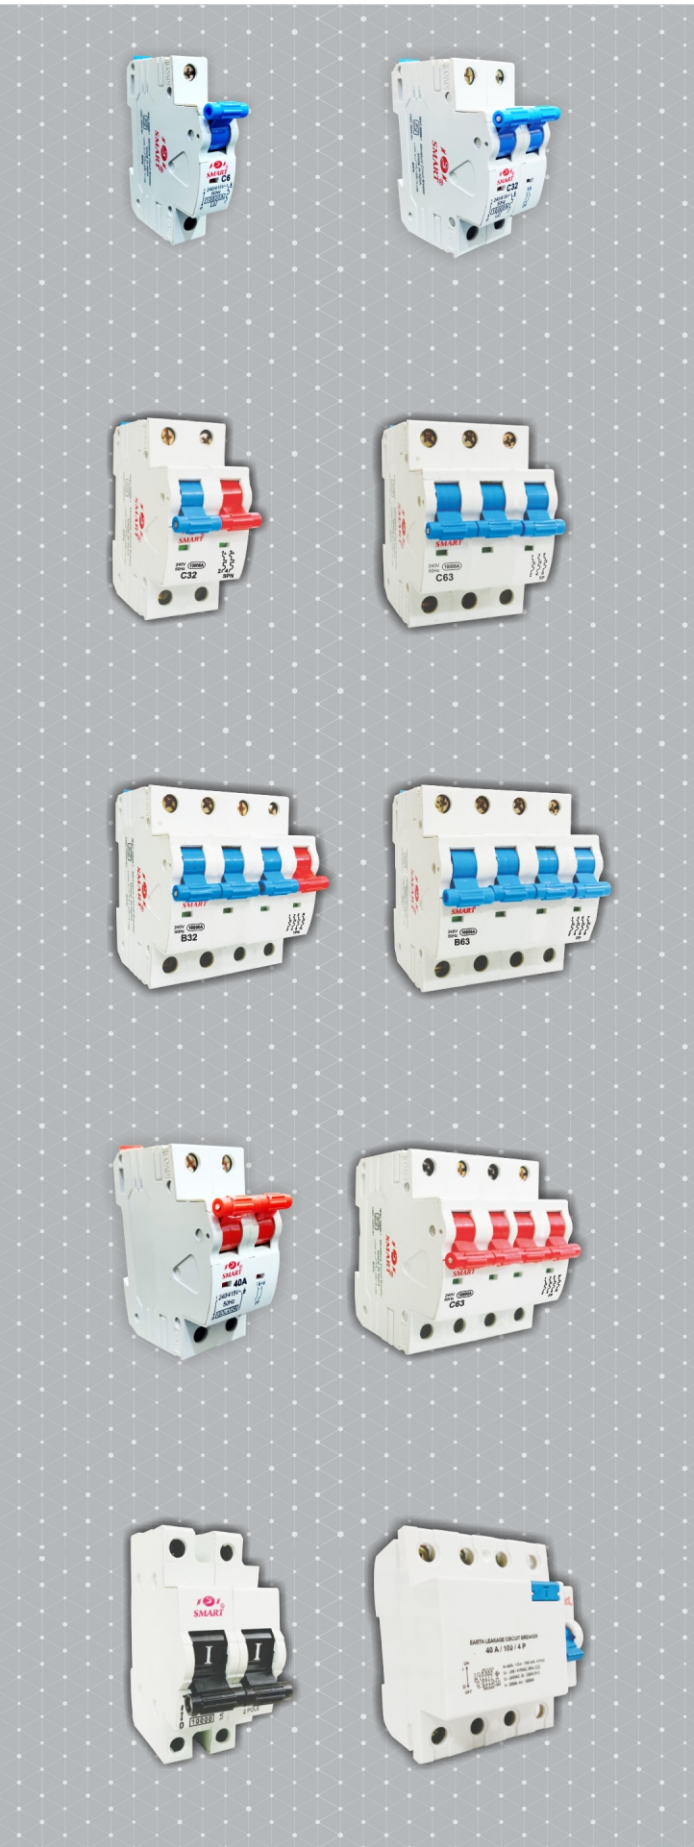

CM/L:2544151

## Salient Features :

- Current limiting clearance for short circuit fault clearance more than 10000A
- Trip free mechanism
- Tough fire resistant body
- Suitable for Din-bar mounting
- Wide range from 6A. to 40A.
- Convenient and sturdy terminals suitable for 1 to 125mm<sup>2</sup> Cables
- Wide range of power coated sheet metal and insulated enclosure also available

Get the best of both the world's  
affordability + reliability = Acceptability
